

REMARKS

Reconsideration and allowance of this application are respectfully requested in light of the above amendments and the following remarks.

The Applicant acknowledges with appreciation the indication in the Quayle Action that claims 1, 2, 4-8, and 12-17 are allowed.

Claims 1 and 12-14 have been amended to replace all instances of "radiofrequency" with "radio frequency" as requested in the Quayle Action for overcoming the objection to these claims.

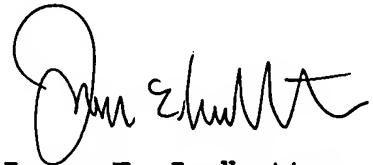

The title, abstract, and specification have also been amended to replace all instances of "radiofrequency" with "radio frequency" as requested in the Quayle Action for overcoming the objections to these portions of the application.

No new matter is believed to be introduced by the amendment of the specification.

In view of the above, it is submitted that this application is in condition for allowance, and a notice to that effect is respectfully solicited.

If any issues remain which may best be resolved through a telephone communication, the Examiner is requested to telephone the undersigned at the local Washington, D.C. telephone number listed below.

Respectfully submitted,
